

# The Collaborative Divorce Process

## Step 1:

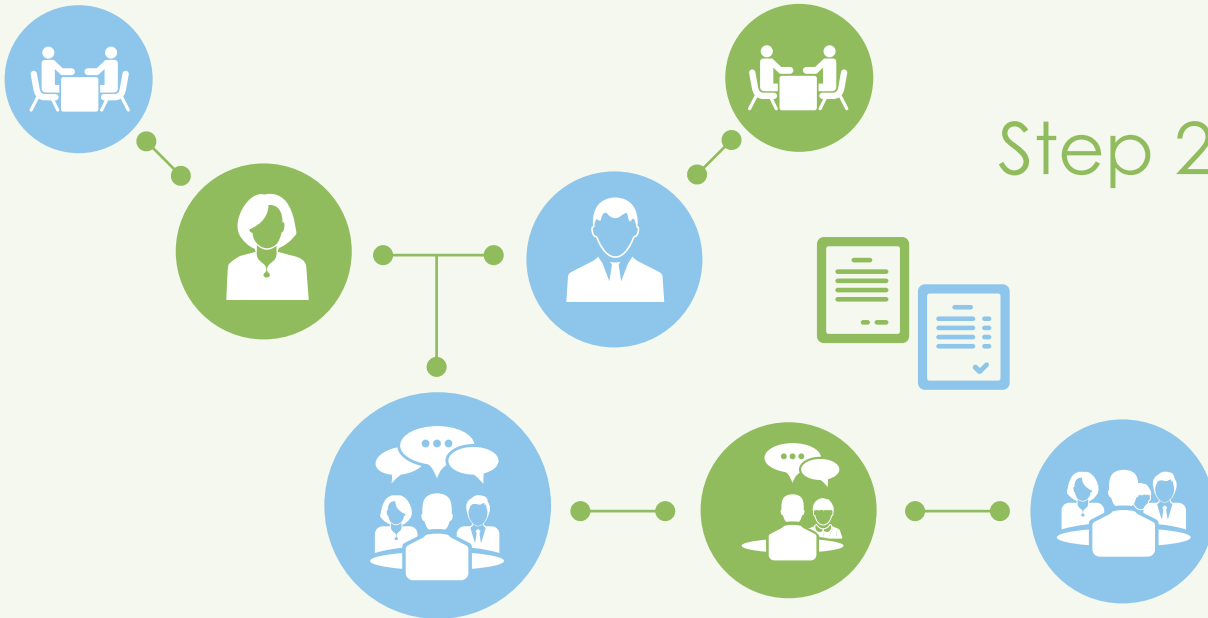

Divorcing couple retains all professionals, turns over financial data and signs Collaborative Agreement.

Professionals can include an attorney for each member of the couple, Financial Specialist, Child Specialist, Mental Health Professional/Professionals.

## Step 2:

Divorcing couple and children complete individual and group coaching with child specialist and mental health professionals. Parents and Child Specialist create mission statement and parenting plan.

## Step 3:

Divorcing couple and financial specialist review financials and report.

## Step 4:

Divorcing couple and full team of professionals and specialists brainstorm choices and agreement.

## Step 5:

Lawyers draft documents and professional team and clients review.

## Step 6:

Everyone generates additional choices and agreements if necessary. Divorcing couple and lawyers review and sign documents before filing with the court.
